**IMPORTANT!** This information contains marketing material and does not constitute investment consultation, advice, investment research or investment recommendation and should not be treated as such. The information is valid at the date of its issue and may change in the future. The value of the units of the collective investment schemes changes over time and may be higher or lower than the value at the time of the investment. No profits are guaranteed and there is a risk for investors not to refund the full amount invested. Therefore, it is advisable for investors to get acquainted with the specifics of the financial instruments in which they wish to invest and to assess how appropriate they are to meet their investment objectives and risk appetite before making an investment decision. The offered investment product concerns the purchase of units in a fund rather than any instruments, in which the respective fund invests in. Investments in collective investment schemes, offered by UBB, are guaranteed by the Investor Compensation Fund, amounting to 90% of the value of all financial instruments held by the investor in UBB, but not more than BGN 40,000. Please, read the Key Investor Information Document and the Prospectus before investing. Upon request, you can receive a paper copy of these documents, free of charge, at all UBB branches, within their normal working hours with clients.
